

Our Story...

Al Sahda Contracting Est. was established in 2002 in Riyadh, Saudi Arabia. Since then, Al Sahda has been able to build a reputation that focuses on commitment and honesty with our clients.

Al Sahda Contracting Est. is qualified to handle all Civil, Electrical, and Mechanical requests due to the different educational backgrounds our team possesses. We pride ourselves on punctuality and high standard of quality

VISION

Our vision is to achieve the highest level of customer service and quality combined. We aim to surpass expectation through an experienced team.

MISSION

Our establishment inspires its mission from the nature of its work, which is building and constructing. Therefore, we start with building our employees' skills, knowledge, and teamwork spirit and allowing access to the newest technologies and systems.

OUR FOUNDERS

TAMIM MAIA **GENERAL MANAGER**

Engineer Tamim Maia is the esteemed General Manager of Al-Sahda Contracting Establishment and has over 35 years of experience in the construction industry.
